### IMPORTANT Skydive Information:

**DAY OF PREPARATION:** Please review the following information. If you made a reservation for others **it is your responsibility** to make sure they are informed and aware of the information contained below.

- **Check Weather Conditions:** Skydiving is a weather-dependent activity and you will need to check the status of your class to confirm weather is suitable for skydiving. The status is determined **two hours prior to your class time**. Go to SkydiveSnohomish.com and click on the **Today's Tandem Weather Status** link. Follow the instructions that apply to your class time.

- **Unsuitable Weather Conditions:** If weather is not suitable for your class time, you may reschedule your skydive and your **NON-REFUNDABLE** deposit will remain on account for use anytime within the next year.
- **Arrival Time:** Arrive at least **30 minutes prior** to your class time. Late arrivals, may lose the opportunity to skydive and forfeit the deposit in the form of a no-show fee.
- **Duration:** Plan on spending up to 3 hours at the drop zone. We send multiple flights per class and your flight number is determined while you are in training.
- **What to Bring:** Bring a government-issued photo ID.
- **What to Wear:** Wear comfortable, athletic-type clothing suitable for the weather. Lace-up shoes are required - no boots, heels, hooks, or open-toe shoes. We provide a jumpsuit to wear over your clothing.

- **Spectators:** Spectators are welcome! We have an Observation Area near the landing area.
- **Pets:** Pets are not allowed at the airport.
- **Drugs and Alcohol:** Absolutely no drugs or alcohol in your system. Drugs and alcohol may not be consumed on airport property.
- **Personal Electronics:** For your safety and that of your fellow skydivers and persons on the ground, personal electronic devices (cell phones, GoPro and other cameras, etc.) are not allowed in the aircraft or on the skydive.
- **Driving Directions:** To see a map to Skydive Snohomish, click [HERE](#).
